The CMSP Drug Formulary is a tool to promote cost-effective prescription drug use. While every attempt has been made to create a document that meets the therapeutic needs of its patients, the CMSP Governing Board welcomes input about the formulary from physicians and pharmacists providing services to CMSP clients.

Instructions:

This form is to be used by participating physicians and providers to submit suggestions for CMSP Drug Formulary changes. Please complete in full and send to the address listed at the top of this form. If you have any questions regarding this process, please contact the CMSP Governing Board at (916) 649-2631.
