### **County Medical Services Program Governing Board CMSP Healthcare Infrastructure Development Matching Grant**

#### **I. ABOUT THE COUNTY MEDICAL SERVICES PROGRAM**

The County Medical Services Program (CMSP) was established in January 1983 as a dedicated program for smaller rural counties (under 300,000 population) to provide health care services to uninsured indigent adult residents. In April 1995, the CMSP Governing Board was established to set overall program and fiscal policy for CMSP. Thirty-five counties throughout California participate in CMSP: Alpine, Amador, Butte, Calaveras, Colusa, Del Norte, El Dorado, Glenn, Humboldt, Imperial, Inyo, Kings, Lake, Lassen, Madera, Marin, Mariposa, Mendocino, Modoc, Mono, Napa, Nevada, Plumas, San Benito, Shasta, Sierra, Siskiyou, Solano, Sonoma, Sutter, Tehama, Trinity, Tuolumne, Yolo, and Yuba.

The CMSP Governing Board currently administers three health benefit programs, including CMSP, Connect to Care, and the Path to Health Pilot Project; four grant programs, including the Local Indigent Care Needs Grant (LICN), the Health Systems Development Grant (HSG), the Specialty Care Access Grant and the COVID-19 Emergency Response Grant; and, two healthcare workforce development programs.

#### **II. ABOUT THE CMSP HEALTHCARE INFRASTRUCTURE DEVELOPMENT MATCHING GRANT**

With the CMSP Healthcare Infrastructure Development Matching Grant Request for Applications (RFA) the CMSP Governing Board seeks to help CMSP counties and non-profits contracted with CMSP counties develop expanded physical capacity to provide healthcare and behavioral health services to underserved populations including CMSP beneficiaries. The funding is intended to provide funding to help meet the local financial match requirement for CMSP counties to take advantage of other healthcare infrastructure funding opportunities provided by state, federal or other programs to expand physical capacity to provide healthcare and behavioral health services. Grant funds are available to CMSP counties and CMSP counties on behalf of a non-profit that delivers healthcare or behavioral health services to underserved populations including CMSP beneficiaries under a contract with the CMSP county.

#### **III. GRANT AWARD AMOUNTS**

The Governing Board, in its sole discretion, may fund or not fund Healthcare Infrastructure Development Matching Grants. Total funding for the program provided by the Governing Board may equal up to ten-million dollars (\$10,000,000) over the duration of the program. One-time grant awards may be provided to a CMSP county as follows:

- For a single CMSP county, the lower of \$500,000 or a 5% match of the total project cost;
- For two or more CMSP counties, the lower of \$1 million or a 5% match of the total project cost.

Funding under the program shall be available solely for local matching costs associated with the development of physical infrastructure for the delivery of healthcare or behavioral health services. No grant funding shall be provided for indirect costs, overhead costs, or ongoing program operation expenses. Only one matching grant may be received by a CMSP county, and receipt of a grant by a CMSP county on behalf of a non-profit organization under contract to a CMSP county shall be counted as receipt by that county.
